Spiritual Covering

Dear Pastor/Elder,

The mission of BCM is to train people for ministry in the church and we believe that the best way to do this is to partner with the church in the training process. This is to ensure that the student has a vital and growing relationship with their Lord and with their church.

Therefore we would like the church to be involved in the student's period of training by providing spiritual covering for the student which entails:

1. Provide spiritual oversight to the student especially in relation to his/her moral and spiritual development.
2. If necessary, cooperate with BCM in implementing disciplinary measures. In the case of foreign students, this may involve ensuring that the student has the means to return to his/her home country.
3. Assist in the applicant's restoration process during the period of their discipline.

Please note that students without spiritual covering would not be allowed to continue their studies at BCM.

Note to all applicants: It is your responsibility to ensure that this letter reaches the Senior Pastor or Elder Chairman of your church who is responsible for issuing the letter of spiritual covering to BCM.
